# THE CAMP WAPOGAZETTE

JUNE 7TH-13TH

MINNESOTA/WISCONSIN EDITION

## JUST ACROSS THE STREET

Wilderness Canoe Base showing its fall colors.

**M**innesota and Wisconsin. Are they the East Dakotas? Are they friends or foes? Are they states or dates? Why are their cities so hard to spell? Why do they have so many cabins and lakes? Do people actually live in them during the winter, or do they only pretend? Who has the superior claim to Lake Superior? Well... we wish we had all these answers for you, unfortunately, we are not that great of journalists. However, our investigative work did reveal that Minnesota and Wisconsin are our homes and that we love them very much. Therefore, we are dedicating the first week of the summer to these super awesome, rocking, fantastic, and wonderful states.

# STAFF BIOS

CAMP WAPO. OX LAKE. WILDERNESS CANOE BASE.

## NATE — WCB SITE DIRECTOR

Nate is an alumnus of Concordia College and Roseville High School. He has had his position at Wilderness since May 2017. He claims to know the BWCA better than the back of his hand... to be fair, he has big hands.

## DANIEL — WCB PROGRAM MANAGER

Daniel is an alumnus of University of Wisconsin–Madison and Stillwater High School. He has spent several summers as a canoe guide before he became program manager this year. He enjoys posing with guitars, but he is still doesn't know how to play them.

## DAN — WAPO PROGRAM COORDINATOR

Dan grew up in White Bear Lake, MN and he is a 2019 St. John's graduate. Currently, he works as a special education paraprofessional at Centennial High School. This year will be Dan's fifth summer at camp. While at camp, Dan loves to run and to lay on his dock at the beach.

## LAURA — OX PROGRAM COORDINATOR

Laura is an alumnus of St. Francis Senior High School and University of Minnesota. She grew up on a farm and is a proud member of 4-H. Her history at camp includes being a counselor and photo blog coordinator. If she had things her way, she would have camp filled with goats instead of kids.

## RETIRING FROM POLITICAL PAWFICE

**D**uke, the great pyrenes dog mayor of Cormorant, MN has gotten old at the age of 13 and has retired from his duties as mayor of the small town. After four terms as mayor, Duke has had a lasting impact in the town and may even go down as the greatest mayor ever.

## SQUIRREL GIVEN CP-R-OAD

**T**eenager Chris Felix realized that he hit a squirrel as he was driving his car in Brooklyn Park, MN. Instead of driving away and leaving the squirrel to die, he got out and decided to use his CPR training to save the squirrel's life. After about 25 minutes of compressions, the squirrel regained consciousness and ran away. He's a hero!

## MML: WILD WEEK WONE

**W**EEK one of the Mighty Mighty League surely kicked off with a bang! In the first game of the entire season, **RED Team** faced off against **BLUE Team** in a game that was over as soon as it started. **Grace** was the star of the show with a stat line of 3 noodles, 8 items, 6 deflections, 20 saves, and 8 tags. Her performance earned her the MML Player Of The Week, which should go a long way in her hopes of securing a big contract next season. **Kellen, RED team captain**, provided an efficient offensive effort of 8 items in 10 trips during the blowout loss.

**PURPLE Team** and **YELLOW Team** faced off in a defensive slug fest with **PURPLE Team** running off with the win. At the center of the battle was **Tim** and **Dan**, who had 30 and 32 tags respectively. However, the win was secured with a ultimate connection when **Ella** sauced the final frisbee to **Chip**.

**GREEN Team** and **MAGENTA Team** were both rusty in this week's match. The drops outnumbered the catches and there seemed to be no real winner, well except for the team that did win, which was **GREEN Team**.

Lastly, **BROWN Team** and **ORANGE Team** fought hard, but their battle was primarily focused on whether the Cleveland Browns' helmet is brown or orange... it happens every year. In the end, **BROWN Team** lost the argument but won the match when **Isaac** sneakily secured the last gator ball.
