SPORTS EDITION

VIRTUAL CAMP IS A HOME RUN!

The 2017 MML MVP, Blake, crossing into enemy territory on the Camp Wapo soccer field!

Sports have been around for thousands of years. Our lives may look different this summer, but the games we play have grown and adapted just as we have. So while the courts and fields may be empty right now and captains' practices may be on hold, there's no excuse not to use your free time this summer to still be active outdoors! When you get back to school, your friends and your teams will be waiting for you. So exercise that brain of yours and find new ways to play socially distanced sports, think up new strategies and tricks, and go put them into action out in the sun! (Just don't forget your sunscreen and water bottle.) Go team! 3, 2, 1, BREAK!

MML: GLASS HALF FULL MIDWAY THROUGH SEASON

W eek four in the books and the first half of the season is complete. At this point many players are making strong cases for various league awards, Grace and Kellen are neck and neck for the MVP race. Dan has a strong lead for defensive player of the years as he is handily leading the league in tags and stops. These awards and more await the players at the Wapo honors for the end of the season.

The match between GREEN team and RED team was full of gifts. Steph doubled her season total for items with 13 items snagged in week 4. All Kellen could muster this week was one item and a lump of coal due to Ethan's mighty defensive stand. Ben had the play of the game during the loss when he pinned a gator ball against his butt to gain an item for his team.

BLUE team suffered two big losses this week. Very early in their match against PURPLE team, Grace suffered a devastating whole body injury when she was line tagged. With the loss of Grace, it was clear that BLUE team did not have the morale to pull off a win against the leagues number one team. It seems as if Chip has started his MVP campaign in this week's game. He popped off securing many items for his team with the help of his teammates, Esther and Cole.

The match between BROWN team and YELLOW team was dominated by the young guns. Isaac and Andy had very complimentary performances that led to a much needed win. In the loss, Greta faltered due to her fascinations with the cool cloud formations in the sky. Regardless of the outcome, both teams will need a much stronger second half of the season to secure a better playoff seeding.

In the last game of the week MAGENTA team finally got their first win of the year against the ORANGE team. The reason for this was partially because Rachel had to do some work at the art shop and was unable to play in the game. Along with this, Carrie was able to collect a good number of items and Cody was playing bad defense by knocking down everything that came near the line.
