JULY 19TH - 25TH

JOYFULL EDITION

ODE TO JOYFULL!

What the heck is up??? Welcome to the JOYFULL edition of the Wapogazette! You've heard of happiness. That's something we experience a lot of at camp, whether it's getting cheered on to the king spot in 9-Square, eating canteen candy, or creating some really rad tie-dye at the Art Shop. Joy is a bit different from happiness because it's even more tubular. Joy is a feeling of long-term contentment from knowing that God loves us and always fulfills His promises. This week we get to focus on celebrating that joy and showing God just how JOY-FULL He makes us!

FIGURE OUT THIS RIDDLE!

Q: A COUNSELOR WENT ON A TRIP WITH A BEAR, A SQUIRREL, AND A SACK OF ACORNS. HE CAME UPON A ROARING RIVER HE HAD TO CROSS AND FOUND A TINY BOAT TO USE. HE COULD ONLY TAKE HIMSELF AND ONE OTHER - THE BEAR, THE SQUIRREL, OR THE ACORNS - AT A TIME. HE COULD NOT LEAVE THE BEAR ALONE WITH THE SQUIRREL OR THE SQUIRREL ALONE WITH THE ACORNS. THE BOAT CAN ONLY FIT THE COUNSELOR AND ONE OTHER PER TRIP. HOW DOES HE GET ALL OF THEM SAFELY TO THE OTHER SIDE THE RIVER WITHOUT THE ANIMALS FIGHTING OR THE ACORNS GETTING EATEN?

A: HE TAKES THE SQUIRREL ACROSS FIRST AND RETURNS ALONE. HE THEN TAKES THE BEAR OVER, AND RETURNS WITH THE SQUIRREL. HE THEN TAKES THE ACORNS OVER AND RETURNS ALONE. FINALLY, HE BRINGS THE SQUIRREL OVER FOR THE SECOND TIME.

AVENGERS ASSEMBLE TO WELCOME BOY WHO SAVED HIS SISTER FROM A DOG ATTACK

Bridger Walker, from Wyoming, protected his little sister as a charging dog approached. Bridger's family are not the only ones praising his bravery, many of the famous Avenger heroes and other celebrities have reached out to applaud Bridger. So far, Anne Hathaway, Chris Evans, Mark Ruffalo, Tom Holland, Hugh Jackman, Zachary Levi, the Russo brothers, and Robbie Amell have reached out. Chris Evans and Chris Hemsworth, who play Captain America and Thor in the films, provided a video conversation for Bridger on social media.

Bridger's parents released a full statement on the incident and asked that the dog's owners be free of judgement and kept in your prayers. The family requested, "May we follow Bridger's example, approach the world as a child, and bring greater peace to our homes, communities, states, and countries."

SPORTS

CAMP WAPO. OX LAKE. WILDERNESS CANOE BASE.

THE END OF THE REGULAR SEASON

The stage is set for the 2020 MML championship! This last week represented the finale for the Mighty Mighty League regular season and boy did the events of this week spice up the way the playoffs will turn out! This season has truly been one of the most exciting in MML history.

The first game of the week brought hope and despair for teams. **PURPLE** team rolled into the game looking to continue their perfect season and be the first team to do so since the '85 Teal Squad with MVP Jeff. **PURPLE** team did come away with the win; however, it was very costly with both **Dan** and **Chip** tearing their ACLs as they collided while trying to grab an item. The **RED** team played a sound game, but the injuries came too late for them to take advantage. They still have reason to be Hope-FULL now that they've exited the slump they were in during the middle of the season.

The matchup between the **BLUE** and **YELLOW** teams was sickening and made people's faces turn green as players on both teams only seemed capable of making errors. During the game there were a number of dropped balls, **Mari** literally tripped over her own feet, and **Tim** pooped himself jumping to defend a ball that was still caught by **Grace**. Although the whole game was ugly, the **BLUE** team managed to come away with the win; however, both teams are going to have to getcha (getcha getcha) heads in the game if they want to do anything in the playoffs.

In the game between **ORANGE** and **GREEN** team, **Rachel** utilized the perfect strategy to help her team get a morale-boosting win by playing the only 7 songs that **Ethan** listens to on repeat in order to distract him. She also asked **Ryan** for funny middle school stories and he talked about it the whole game. As a result, **Rachel** won Player of the Week for her creativity and a whopping 36 saves.

In the last game of the regular season, the **MAGENTA** team played the **BROWN** team in a game that seemed more of a track meet than a game of mighty mighty. **Karl** and **Emerson** were zooming all around the field essentially playing tag. Advanced metrics cited **Tugboat** as the fastest player on the field this week when he clocked in at 32 MPH. With all this speed on the field, the game went by in a blur with **Brown** team continued their win streak as they head into the playoffs.
